Sharks Competitive Program Information

The Del Mar Carmel Valley **Sharks** is a community based, non-profit organization dedicated to the development of youth soccer through professional coaching and involvement in a competitive environment.

The **Sharks** strive to provide a platform for our players to participate in competitive soccer at the highest level possible. The **Sharks** prides itself on developing players both on and off the field.

Our program emphasizes professional coaching and training. The **Sharks** feature a first class staff of experienced coaches so that your children can learn the game from the pros. All players receive equal training regardless of their position on the team.

Player & Parent Expectations

Every family is expected to sign a Code of Conduct at registration and abide by its rules.

Sharks will strictly enforce its Code of Conduct with all players and parents

Sharks expects **players** to:

- Have fun (most important)
- Always exhibit good sportsmanship and fair play
- Attend practice twice a week
- Participate in the skills sessions provided
- Participate in tournaments
- Participate in regular season games

Sharks expects **parents** to:

- Encourage your child to meet player expectations
- Exhibit good sportsmanship
- Transport your child to practices, games and tournaments
- Meet Sharks' league and team financial obligations

2019 Competitive Registration

When does a competitive team's season begin?

Upon being invited to join a DMCV Sharks competitive team, your player registration will be processed online for the 2019 season. Once teams are formed, registration invitations will be emailed out. Training will begin shortly after teams are formed.

What is the commitment level expected of a competitive player?

Competitive soccer has become a year-round sport for the serious player, but most younger teams begin their season in January and continue through December. The 2011's may continue until February 2020 if their team is competing in State Cup. Many teams will participate in 1 to 3 tournaments or round robins during the summer, play in the Presidio League or Developmental League during the fall, and attend post-season tournaments in December and January. Players at all levels are expected to attend practices and participate in tournaments and league play.

When will I find out if my child has been selected to play in the Sharks' competitive program?

There are two days of tryouts scheduled for both boys and girls. Your child should plan to attend both days. If for some reason they cannot attend both days, please be sure to notify the coach.

Every player who tries out will receive a phone call from a coach by December 17.

If you have not heard back from the Sharks by December 18, please email Rachel or Ryan.
